

Colonel Walker Programs

Dear Inglewood Business;

The Colonel Walker School Parents Association (CWSPA) is responsible for raising funds to support programs for the children of Colonel Walker School. This includes funding field trips, in-school residency programs and purchasing library books. In addition, we run Colonel Walker Programs which provides before and after school care, hot lunch and Fundaze (full-day care on CBE professional development days).

In 2009, we held our first ever Kitchen Party and raised over \$5000, thanks to the generous support of Inglewood residents and business owners. Everyone in attendance had a wonderful evening – so the 2nd Annual Kitchen Party takes place on **Saturday, May 29** at the Inglewood Community Hall.

We are seeking your support to minimize expenses. The evening includes both, a silent and a live Loonie auction, treats prepared by Colonel Walker Programs and dancing to the sounds of Brooke Wylie and The Coyotes.

We hope you consider supporting the event in one or more of the following ways:

- Purchase a corporate table of eight - \$70;
- Make a cash donation to offset expenses;
- Donate an item for the silent auction; or
- Donate a door prize.

If you are donating an item for the silent auction, please complete the attached form and email it to kitchenparty@colonelwalker.com or fax it to 403-263-2151. We will arrange to pick up the donation.

In recognition of your sponsorship you will receive:

- Two tickets to the event for donation valued over \$100 or a table of eight for donation over \$500
- Recognition at event
- Public recognition in Inglewood Newsletter

I appreciate you reviewing and considering this request. If you have any questions, please contact Program Director Sandra Pippus at 403-263-2151 or Mona Gauvreau at 403-829-3218. Thank you for your consideration and support.

Sincerely,
Kitchen Party Event Committee

Thank you 2009 Kitchen Party Supporters!
